Top quality mixes for unbeatable American type cookies as well as for delicious bars. They guarantee stable and excellent results, providing cookies with delicious, rich taste, chewy or crunchy texture (depending on preference), great durability and unrivaled luscious appearance. By adding nuts, dried fruit or chocolate of your choice, you will also make tasty bars with proper chewy structure. Very easy to handle and can be used for other delicious desserts such as cakes (e.g. oatmeal cakes), bases for tarts and much more.
